The Honorable Ronnie Abrams

United States District Judge

Southern District of New York

40 Foley Square

New York, NY 10007

**Re: U.S. v. Ekin Erkan  
19 Cr. 179 (RA)**

Dear Judge Abrams:

I represent Ekin Erkan in the above-referenced matter. Mr. Erkan is currently scheduled to be sentenced on July 21, 2022. The purpose of this letter is to respectfully request a 60-day adjournment of Mr. Erkan's sentencing. Counsel has not yet received letters from Mr. Erkan's therapist or his transcripts from his school, which are to be included in his sentencing submission. An adjournment of 60-days will provide sufficient time for counsel to receive the documents and review the final submission with Mr. Erkan before filing. This is the second request for an adjournment of his sentencing. The first request was granted and the Government has no objection to this request. Accordingly, it is respectfully requested that the Court adjourn the sentencing for 60-days, to the week of September 26, 2022, or a date that is convenient to the Court. Counsel apologizes for this late request for an adjournment of the sentencing because I was preparing for a trial in the Eastern District of New York. The Court's time and consideration of this matter are greatly appreciated.

Respectfully submitted,

/s/

Margaret M. Shalley
